

Maine Department of Agriculture, Conservation and Forestry

ARBORIST TESTING INFORMATION

GENERAL INFORMATION

Anyone performing arborist services in Maine must first obtain an Arborist License. Candidates for an Arborist License must pass a test in Landscape, Utility or both categories demonstrating knowledge, skill and capability to safely and professionally provide arborist services to the public.

An *Arborist Apprentice Permit* is available to provide an opportunity for on the job training for new arborists; however, **this is a training permit only and not a license to practice independently**. No test is required to obtain an Arborist Apprentice Permit; those applying for a permit must work under the direct supervision of a licensed arborist.

DEFINITIONS

Arborist: A person who, for compensation, takes down or fells, diagnoses or evaluates the condition of shade or ornamental trees; solicits, recommends or supervises the treatment of those trees; or in any manner or for any purpose treats or cares for those trees. Treats or cares for includes but is not limited to: pruning, trimming and shaping of trees when the care requires the person to leave the ground as well as installing lightning protection, cabling or bracing of trees.

Apprentice: an unlicensed individual working under the supervision of a licensed arborist.

***First-Class Landscape Arborist:** an individual licensed as an arborist, who is primarily concerned with the care of shade or ornamental trees.

***First-Class Utility Arborist:** an individual licensed as an arborist who primarily works in the proximity of electrical transmission, distribution and/or other utility lines.

***Master Landscape or *Master Utility Arborist:** an individual who has a minimum of five years of experience as a First-Class Arborist, has successfully completed the Master Arborist examination and holds a valid Maine Pesticide Applicator License in category 3A – Outdoor Ornamentals.

*In addition to an Arborist License some utilities may require additional safety training to work near their utility lines.

STEPS IN EXAM PROCESS

1. The candidate completes the arborist exam application and submits it with the appropriate fees.
2. The Department mails the candidate an examination admission letter two weeks before the exam.
3. The candidate takes the exam.
4. The Department notifies the candidate of scores and licensing or re-take information.

APPLICATION AND FEES

Applications can be obtained on the Arborist Program website www.maine.gov/dacf/php/arborist or by calling 207-287-3891.

A study guide is available for purchase. The study guide contains all information covered on the arborist exam and is highly recommended for test preparation.

Candidates are strongly encouraged to apply to take both Landscape and Utility exams at the same time.

Study Guide: \$85.00

Exam Fees:

First-Class Landscape or Utility	\$ 60.00
First-Class Landscape <u>and</u> Utility	\$ 85.00
Master Landscape or Utility	\$ 85.00
Master Landscape <u>and</u> Utility	\$110.00

Make checks payable to the "Treasurer, State of Maine"
Exam fees are non-refundable.

EXAM DATES

Exams often fill up weeks before the exam date. **Do not delay submitting your application.** When the test sessions fill up names will be placed on a waiting list.

February 15, 2022
March 29, 2022
April 29, 2022
June 14, 2022
September 20, 2022
December 13, 2022

**Dates may change in
response to Covid-19 issues.**

QUESTIONS?

Arborist Licensing Program (207)287-3891
www.maine.gov/php/arborist Debbie.Davis@maine.gov

ADMISSION TO THE EXAM

Only pre-registered candidates will be admitted to the exam. Walk-in applicants are not allowed. Examinations will not be scheduled until the Department has received both the exam application and exam fee.

Prior to the examination date, the department will send an admission letter to each candidate scheduled for testing. The admission letter will include the specific date and time of the exam and which category of exam is scheduled.

All exams will be held at:
Deering Building, Room 101 - 90 Blossom Lane, Augusta

Exam no-show policy

If you cannot make your scheduled exam time you must notify this office at least 48 hours prior to the examination date so that we may accommodate people on the waiting list.

If you **do not attend the examination** and do not contact us, you will **forfeit the exam fee** and will only be scheduled for the next exam once all other candidates from the waiting list have been accommodated.

DESCRIPTION OF EXAMINATIONS

Exam sessions are 3 hours long and consist of a written and oral portion.

The written portion of the First-Class exams are open book. Master exams are closed book for all parts. The written exams include true or false, multiple-choice questions and tree identification.

Books are not permitted during the oral portion of the First-Class exams. The oral portion of the exams cover the safe use of arborist tools and equipment and approved arboricultural techniques.

Material covered on Utility and Landscape exams overlap. Candidates are strongly encouraged to take both exams at the same time.

EXAM PREPARATION TIPS

- Be familiar with information in the Study Guide
Use the review questions in the Tree Climbers' Guide (included with the Study Guide)
- Purchase and practice using a tree identification book
- Practice knot tying

GRADING INFORMATION

The minimum score required to pass the First-Class exams is 70%. The minimum score required to pass the Master exams is 75%.

Your score is based on the number of questions you answer correctly. Be sure to mark an answer for each question. There is no penalty for guessing. Partial credit is given in the tree identification section.

Scores will be mailed within two weeks of the test date. All scores are mailed at the same time. Applicants receiving passing scores will be sent licensing information.

LICENSE ISSUANCE & FEES

Licenses will not be issued immediately after passing the exam. It could take several weeks before you are licensed to work. In order to receive your license, you must sign an insurance affidavit and pay a licensing fee. Your license will be issued only after receipt of the affidavit and payment.

License Fees:

First Class or Master Landscape OR Utility	\$30
First Class or Master Landscape AND Utility	\$45

Licenses must be renewed annually. License Renewal Information will be sent by December 1 of each year. Renewal applications received after January 1 are subject to a late fee. Candidates that fail to renew a license for more than a year may need to re-take the Arborist License Exam in order to have the license re-instated.

BACKGROUND CHECKS

The State of Maine has the authority to consider an applicant's criminal history record prior to issuing an occupational license. **The Department will conduct random criminal history records checks prior to issuing arborist licenses.**
